Fusion

The clean lines of this undeniably modern frame, which comes in a wide variety of finishes and inserts, can be adapted to suit any environment. Have fun playing with the possibilities to add a hint of colour, a pinch of whimsy or a breath of fresh air to your home.

A sliding door is just the thing to enhance any bedroom, vestibule or office and is the ideal choice for a wider wall opening. For smaller spaces, like bathrooms and laundry rooms, a folding door is more convenient.

For finished opening:
24 in. to 144 in. wide and
height up to 96 in.

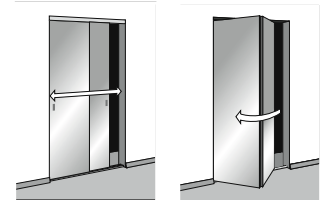

2 1/2 in. MDF frame covered with
an ultra-resistant vinyl film

Easy installation, adjusts for out-of-square openings

For more closet accessibility 3rd
and 4th tracks option available for
doors with 3 and 4 panels

Sliding or bifold door available

5-Lite

With two more crosswise mouldings than our popular 3-Lite model, the 5-Lite exudes style and sophistication. Are you all about pared-down perfection? Opt for a white frame and frosted panels. Or, if you have something more classic in mind, be sure to peruse our WOODes and mirror inserts.

A sliding door is just the thing to enhance any bedroom, vestibule or office and is the ideal choice for a wider wall opening. For smaller spaces, like bathrooms and laundry rooms, a folding door is more convenient.

Studio

Do you live in a small studio or do you like the "artist studio" style? The STUDIO closet door might just be the centerpiece that is missing from your decor! Like all the models in the MIX collection, it makes it possible to coordinate various INSERTS - mirror, FROSTED or colored glass, with a WOOD - to create a unique, current, up-to-date product of your expectations.

Sliding doors are an excellent choice for larger closets in bedrooms, vestibules and offices.

Easy installation, adjusts for out-of-square openings

For finished opening:
24 in. to 144 in. wide and
height up to 96 in.

5/8 in. steel frame,

For more closet accessibility 3rd
and 4th tracks option available for
doors with 3 and 4 panels
